Design Document

- **Name of business/organization:** *TreeTales: Your Neighborhood Literary Grove*
- **What does the business do (i.e., its product/service/mission)?**
 - Connect book-loving people together through nature.
 - Also, introduce people to the world of coffee chats in the park and long book discussions out in nature.
- **Who is the target demographic of the business?**
 - Anyone who likes books or is interested in joining a book+nature club!
- **How is the website going to help the business make money/be successful?**
 - Increase publicity/get traction
 - More effortless event planning
 - Bring people together!

● Sketch of home page design

- The general concept and brand were sketched out digitally. Figma was used for the website layout design.

● Content (text) for the home page – this must be separate from any design

- Pages for:

■ About Us

- Welcome to TreeTales Literary Grove, where we nurture a love for literature amidst the beauty of nature. Our community is built upon a shared passion for books and the serene embrace of the natural world.
- At TreeTales, we believe that the best stories are often found when we explore the depths of a good book while surrounded by the tranquility of trees, the whispering of leaves, and the symphony of birdsong. We've created this haven for book enthusiasts who yearn to connect with both the written word and the world around them.
- Our mission is to foster a sense of belonging and intellectual growth within our community. Through regular book selections and discussions, we encourage members to expand their literary horizons and engage in

thoughtful dialogues that transcend the pages of a book. We celebrate the diversity of genres and perspectives, ensuring that there's something for every reader in our grove.

- Whether you're an avid reader, a casual book lover, or simply someone seeking the solace of nature intertwined with captivating stories, TreeTales Literary Grove is your sanctuary. Join us as we turn the pages of great books and embark on a journey of literary exploration beneath the shade of our beloved trees.
 - Come, find your place among the branches of our community, and let the stories we share inspire your own tale within the evergreen embrace of TreeTales Literary Grove.

Answers to Questions:

- *What was the most satisfying part of this assignment?*
 - The most satisfying part of the assignment was when the website finally came together.
- *What was the most challenging part of this assignment?*
 - The hardest part was the CSS portion of the website. Centering elements and knowing when to use certain things was really confusing at times and a real pain.

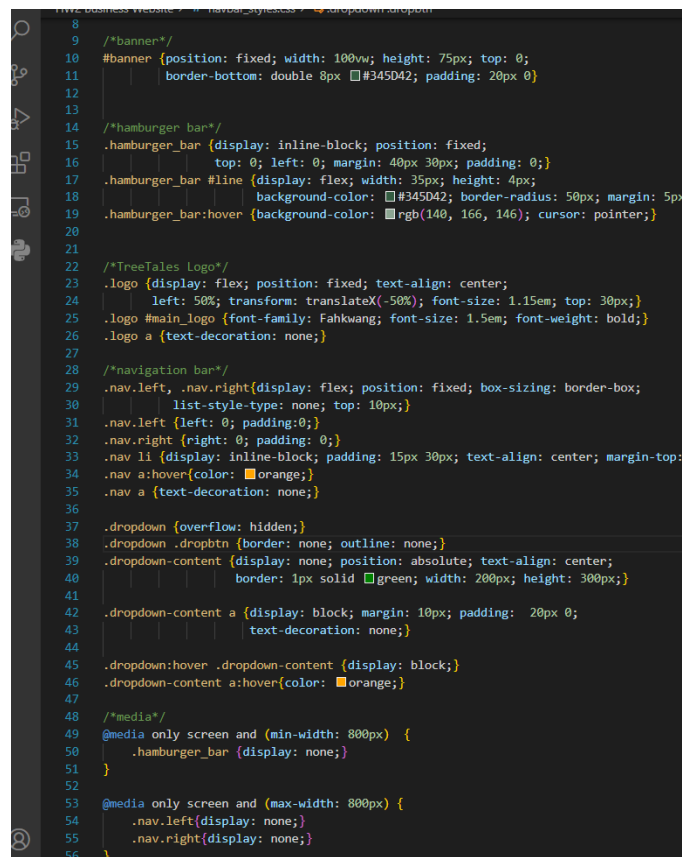

List of Requirements

- You must have at least 3 pages: a home page, a contact page, and one other page.
 - https://lydiachen01.github.io/Mock_Business_Website/index.html
 - https://lydiachen01.github.io/Mock_Business_Website/contact.html
 - https://lydiachen01.github.io/Mock_Business_Website/calendar.html
